

## *Presenting St Marlo*

*Already ranked third among Atlanta's best daily fee courses by both the Atlanta Journal and constitution and Georgia Golf News and top 10 according to Golf Digest, St Marlo's championship eighteen hole golf course plays to a par 72 and measures approximately 7,000 yards from the championship tees. Designed by Denis Griffiths (Chateau Elan, Georgia National), each of the eighteen holes features up to six tee complexes assuring golfers of all levels a challenging experience. The course also includes artistic waterfalls, distinctive stonewalls, and beautiful hardwoods, all designed to flow with the natural, rolling terrain of the land. To further complement our spectacular course, St Marlo features a luxurious clubhouse placed atop the highest elevation in our community so visitors can enjoy a panoramic view of the tree-lined horizon.*
